## Pittsfield is packed with outdoor adventures – just minutes from downtown!

Four-season outdoor fun abounds in Pittsfield from hiking and skiing to swimming and boating, to mountain biking and more. We are home to **Pontoosuc and Onoto Lake, Pittsfield State Forest, Bousquet Mountain**, and Berkshire County's largest skate and BMX park, the **Pittsfield Skate Plaza. Clapp Park** and **The Common** feature splash pads in the summer, and in the winter, **Osceola and Clapp parks** provide the ideal spot for sledding and tubing. And we would be remiss not to mention the breathtaking foliage in the fall!

Pittsfield has many beautiful spots to unplug and appreciate nature's wonders. **The Berkshire Natural Resources Council (BNRC)**, a nonprofit, charitable organization that works to protect and conserve lands throughout Berkshire County, maintains trails and reserves that are open to the public; two of which have trailheads located in Pittsfield: **Mahanna Cobble Trail** and **The Boulders Reserve**.

The City of Pittsfield maintains multiple conservation areas; among them the 74-acre **Barkerville Conservation Area**, the 112.5-acre **Wild Acres**, and the 10.2-acre **Fred Garner Park**, which all feature hiking trails open to the public.

The 65-acre **Pittsfield State Forest** features 35 miles of trails perfect for hiking, mountain biking, and cross-country and backcountry skiing. Enjoy camping, picnicking, swimming, and kayaking. Parking fees apply, please visit [mass.gov/locations/pittsfield-state-forest](http://mass.gov/locations/pittsfield-state-forest) for more information.

**Canoe Meadows**, a 253-acre Wildlife Sanctuary operated by **Mass Audubon**, attracts warblers, turtles, ospreys, and otters to its scenic woods, fields, and wetlands along the edge of the Housatonic River. Enjoy 3 miles of gentle, well-marked walking trails and a 4.5-acre community garden.

The 188-acre **Burbank Park at Onoto Lake** features a swimming beach, fishing pier, public boat launch, bath house, picnic areas, playground, paved scenic walkway, and Pittsfield's first **dog park**. **Pontoosuc Lake Park**, 23-acres, features swimming, a public boat launch, and picnic areas. Rent a boat or kayak and treat yourself to a day on Onoto or Pontoosuc Lake.

**The Ashuwillticook Rail Trail** is a paved, 10-foot-wide biking, running, and walking trail running through Pittsfield, Lanesborough, Cheshire, and Adams. Free parking at the Crane Avenue entrance in Pittsfield, and open to the public year-round.

The 246-acre **Springside Park** features the Vincent J. Hebert Arboretum (a living tree library), colorful butterfly and hummingbird gardens, a peaceful Memory Garden, the Vincent J. Hebert Lilac Walk, and Springside Pond. The park also features a handicap accessible playground and the Springside House, formerly the house of Abraham Burbank in 1860, which was added to the National Register of Historic Places in 2008.

The newly modernized **Bousquet Mountain**, a 200-acre ski area minutes from downtown, features twenty-four trails, a ski and snowboard terrain park, snowtubing, and full dining facilities with breathtaking mountain views.

There are also serene trails to enjoy at our historic and cultural destinations. The grounds at **Herman Melville's Arrowhead** and the nature trails behind the barn are open year-round, sunrise to sunset, for public use, and there are numerous trailheads with historical significance at **Hancock Shaker Village**.
